

Due diligence for Triple Point Investment Management on their investment into MWS Technology Ltd.

Our focus is on transactions in the £5m to £100m space including disposals, fundraisings, management buy outs, acquisitions, financial diligence and debt advisory.

About the business

MWS Technology have been pioneers in technology solutions for the vocational training, further education and welfare to work sectors since 2009. Their mission is to create innovations that unleash new levels of efficiency, productivity and personal growth.

How we helped

Buzzacott provided financial and tax due diligence to Triple Point Investment Management on two occasions ahead of their investments into MWS Technology.

Buzzacott were already familiar with the business and helped to add valuable insight on both occasions to report how

the company had developed in the period between and identify key findings ahead of the second round.
